

**Mondaine Classic Collection**

A choice of three Mondaine Classics. The trio consists of the timeless white dial, black leather strap timepieces in the sizes 36, 33 and 30 mm diameter. Packaged individually within the presentation box, the fine quality Swiss-made watches form the core items of the Mondaine brand. This collection was designed specifically for a versatile and independent consumer looking for a product to fit their classic and casual needs. The Mondaine customer values individuality while also remaining timelessly traditional.

Each timepiece in the collection features a scratch resistant sapphire crystal and has been tested water resistant to 3 ATM. The watches are accompanied by a two-year warranty backed by the Mondaine International Service Network (MISO).

The Mondaine Classic Collection is available at authorized, professional watch dealers, high end gift and design stores and Museum shops. Suggested retail price CHF 250.— (per watch).

Mondaine represents affordable luxury. The timepiece design is distinct, clean and immediately identifiable thanks to its signature red seconds hand, which also offers superior legibility. This is a superb selling point for retailers and a high-demand feature for consumers. The timepieces are crafted of high-quality materials and are Swiss made.

Mondaine Watch Ltd. is the creator of the Official Swiss Railways Watch collection, licensed by the "Swiss Railways SBB" and launched just over 20 years ago.
