

## Mondaine Unveils Exciting New Watches for Fall

Mondaine, the Official Swiss Railways Watch and one of the most successful affordable Swiss watch brands on the market today, unveils several exciting new timepieces for fall.

### Sitting Around:

For those who love the omnipotent Mondaine desk accessory, the ergonomic desk clock with day and date indicator that made such an international hit last season is now offered in bold red finish.

Packaged in a leather container that doubles as the perfect desk set for pencils and paper clips, this is the absolute must-have essential for those who sit behind the desk. \$225 retail.

Mondaine holds a unique position in the world market. This brand represents affordable luxury, with retail prices ranging from \$195 to \$600. The timepiece design is distinct, clean and immediately identifiable thanks to its signature red seconds hand, which also offers superior legibility. This is a superb selling point for

retailers and a high-demand feature for consumers. The timepieces are crafted of high-quality materials and are Swiss made. Mondaine Watch Ltd. – creator of the official Swiss Railways Watch collection, licensed by the “Swiss Railways SBB” – launched just over 20 years ago. It represents the consumers’ version of the Swiss Railways Clock. In Switzerland, 3,000 of these famous Swiss clocks have indicated the precise time at all Swiss train stations for more than 60 years.

All Mondaine watches are accompanied by a two-year guarantee, are Swiss-made, and backed by the Mondaine International Service Network (MISO). Available from professional, authorized Mondaine watch dealers.
